FINDINGS

Approved For Release 2001/03/01 : CIA-RDP59-00882R000300330006-4

I HAVE PERSONALLY INVESTIGATED ALL AVAILABLE EVIDENCE AS SHOWN IN EXHIBITS _____ TO _____ AND
IT IS MY BELIEF THAT THE ARTICLES LISTED HEREON AND/OR ON ATTACHED SHEETS. TOTAL COST \$112.80

Review of attached exhibits, including investigation report, driver's report and sworn statement, and Metropolitan Police Report indicates that the private vehicle of Mr. [REDACTED] is responsible for the damages to the Agency vehicle. There is evidence of a colliding charge in the police report against the private vehicle when it went through a red light. There is no evidence of negligence on the part of the Agency vehicle driver, [REDACTED]. Sec. 11, D. C. Traffic Regulation, indicates that vehicular traffic facing a "green" or "go" control signal may proceed straight through. I recommend that the Agency driver be relieved of responsibility and pecuniary liability for the damage to Agency property. Further, that the Office of General Counsel be requested to determine an Agency claim against the driver of the private vehicle.
